

Guidelines for Authors

Authors are invited to submit their original research and novel findings. Submissions may include original articles, reviews, case reports, or short communications. Manuscripts must be written in English language, using Times New Roman font size 12, with single line spacing. Ensure the submission is in MS-Word (.doc/.docx) format, with a single-column layout and one-inch (2.5 cm) margins on all sides. Manuscripts should not exceed 12 pages.

Additional guidelines for submission:

1. Include a title page with the title, authors' names, affiliations, and corresponding author's contact information.
2. Provide an abstract of 150-250 words summarizing the key points of the manuscript.
3. Use headings and subheadings to organize the content logically.
4. Clearly indicate figures and tables with appropriate legends and captions.
5. Ensure all references are cited accurately and formatted in accordance with the Vancouver style.
6. The case report should comprehensively include details such as presenting complaints, history of presenting complaints, physical generals, mental generals, differential diagnosis, provisional diagnosis, analysis of symptoms, evaluation of symptoms, miasmatic evaluation, totality of symptoms, repertorial totality, repertorial sheet, prescription, follow-up, and relevant reports for evidence (if available).

Authors are encouraged to carefully review these guidelines before submitting their manuscripts to expedite the review and publication process. **Please submit your manuscript to editorials@sblglobal.in, including the copyright agreement and authorship declaration.**
