

## GUIDELINES FOR DOCTOR' S JOURNEY

- Ensure the content is understandable to a wide audience, avoiding overly technical words.
- Kindly attach a recent colored photograph.
- The content should consist of approximately 1200 words, formatted in Microsoft Word and in PDF.
- Use Times New Roman font, size 14 for title and size 12 throughout the document.
- The content should include the following points:
  - 1. Personal Background:**
    - Describe your early life and what initially sparked your interest in homeopathy.
    - Mention any family influences or personal health experiences that led you to explore alternative medicine.
  - 2. Educational Journey:**
    - Outline your academic path, including where you studied homeopathy and any additional training or certifications.
    - Highlight significant milestones or challenges during your education.
  - 3. Entering the Field:**
    - Describe how you transitioned from being a student to practicing as a homeopathic doctor.
    - Mention any internships, mentorships, or early career experiences that were impactful.
  - 4. Ups and Downs:**
    - Discuss challenges you faced in your career and how you overcame them.
    - Share moments of success or breakthroughs that encouraged you along the way.
  - 5. Professional Experiences:**
    - Detail your professional journey, including the types of patients you've treated and the conditions you specialize in.
    - Highlight any unique cases or patient stories that shaped your practice.
  - 6. Philosophy and Approach:**
    - Explain your personal philosophy towards homeopathy and patient care.
    - Discuss any specific techniques or methodologies you use in your practice.
  - 7. Continuing Education and Growth:**
    - Talk about how you stay updated with new developments in homeopathy and integrative medicine.
    - Mention any ongoing education, conferences, or research you are involved in.
  - 8. Community and Contributions:**
    - Describe your involvement in the homeopathic community, such as associations you're part of or volunteer work.
    - Share any contributions you've made to the field through publications, workshops, or teaching.
  - 9. Conclusion and Advice:**
    - Summarize your journey and what homeopathy means to you.
    - Provide advice or encouragement to aspiring homeopathic doctors based on your experiences.

Authors are encouraged to carefully review these guidelines before submitting their journey to expedite the review and publication process. **Please submit your manuscript to [editorials@sblglobal.in](mailto:editorials@sblglobal.in).**
